EMPOWERING MAINTENANCE.

PRECISION AND DURABILITY FOR UNINTERRUPTED TRAINING.

- Realistic hands-on training for maintenance personnel
- Higher durability than the original aircraft
- No OEM data required
- Implementation of any maintenance procedure feasible
- Guaranteed spare part availability
- Aerospace Ground Equipment compatibility
- Tailored to training demand
- Realistic shape, weight and center of gravity
- LRU remove and replace procedures.

A LEVEL OF REALISM - DESIGNED TO YOUR NEEDS.
